

If I could offer a single prescription for the survival of America, it would be to restore the family. And if you asked me how to do it, my answer, doubtlessly oversimplified, would be; save the youth.

More than just a program...it's mentoring.

THE CHILDREN NEED OUR HELP, AND OUR HEARTS

INTEGRITY MENTORS (iM) IS A 501(C)3 NON-PROFIT MENTORING PROGRAM

that performs charitable, educational, civic and philanthropic activities to support at-risk youth in low- and moderate-income communities. *iM* provides and administers a program that offers personalized support for academic learning, spiritual growth and constructive development for youth ages 12 to 18 years.

- There are 24 million children in America and 1 out of 3 live in a home without biological fathers.¹
- A child with a non-resident father is 54% more likely to be poorer than his/her father.¹
- Fatherless children are twice as likely to drop out of school.¹

The main goal of *iM* is to build self-esteem, confidence, and self-respect through programs based on biblical principles. It is our hope to decrease the probability of students dropping out of high school and increase the probability of students who are prepared for college and future careers.

MISSION STATEMENT

Impacting the lives of young women and men by building confidence, strength, and self-worth. Instilling biblical principles to encourage and uplift.

PROGRAM OVERVIEW

iM develops youth socially, intellectually, and spiritually. This is done through one-on-one mentoring and scheduled monthly "rap" sessions. The monthly sessions include interactive teachings coupled with impactful and fun activities/field trips or community service projects. To ensure an effective program, *iM* uses a curriculum to support youth development that will teach the youth leadership principles, practical life lessons and social responsibility based on biblical principles.
